</> Web Developer   ☕ Coffee lover   🚗 Safe Driver

Hello There!

I am a person with passion for technology. My dream is to develop a master product and to be one of the TOP developer in the world. I am now working towards it!

I have loved technology since I was a child and this hobby has lead me into the developing field. I am especially interested in interactive websites. I spend most of my free time researching web technologies.

EMPLOYMENT

Web Developer
June 2014 - present — DBStech Ltd.

Working as Web Developer, performing various duties such as designing and application development.
